Work Experience

Corporal/Supervisor

Hidalgo County Detention Center - Lordsburg, NM

June 2021 to February 2023

Responsible for maintaining inmate security in the Detention Center, including enforcement of rules, preventing escapes, escorting prisoners to/from court, medical appointments, etc. Also responsible for the care of each inmate. During this time, I became a Corporal/supervisor in a matter of 6 months. I supervised jail deputies, recruit deputies, and other support staff assigned to the shift. My other duties were maintaining security over jail inmates in all phases of activity, with a focus on managing the intake processing, lodging, and release procedures.

Maintenance Worker

Tyrone Home Owners Assoc. - Tyrone, NM

August 2020 to April 2021

Responsible for fixing and maintaining mechanical equipment, buildings, and machines. Tasks include plumbing work, painting, flooring repair and upkeep, electrical repairs and heating and air conditioning system maintenance.

Lumber Yard Worker

Ace Hardware - Silver City, NM

June 2019 to January 2020

Responsible for putting orders together per list received. Responsible for loading and unloading trucks with forklift, received a forklift certification with the company. Was also in charge of maintaining cleanliness and order of Lumber Yard. Also, assisted customers as needed

Detention Officer

Hidalgo County Detention Center - Lordsburg, NM

May 2018 to March 2019

Responsible for maintaining inmate security in the Detention Center, including enforcement of rules, preventing escapes, escorting prisoners to/from court, medical appointments, etc. Also responsible for the care of each inmate.

Concrete Laborer

Suntec Concrete - Phoenix, AZ

August 2017 to April 2018

I helped in pouring concrete at construction job sites. We would set up forms to create walls, structures or pillars at construction sites anywhere from roadsides to building foundation in a safe environment.

Deburr Technician

APSM SYSTEMS - Phoenix, AZ
November 2016 to August 2017

I was responsible for finishing high-quality, detail parts. We would review planning/engineering, work instructions and tooling to verify appropriate work process and quality requirements before starting job. I also utilized hand tools and small power tools, safely remove burrs and create edge breaks.

Assembler

MCMILLAN FIBERGLASS STOCKS - Phoenix, AZ
February 2016 to September 2016

I helped assemble parts on the fiberglass stocks . Also helped during the process of manufacturing the fiberglass stocks

Crew Member

Wendy's - Phoenix, AZ
March 2015 to December 2015

I worked at cashier, cook and finished as maintenance. I provided great customer service in a fast paced environment while keeping safety as a priority.

Education

GED

Lordsburg High School - Lordsburg, NM
August 2012 to August 2015

Skills

- Concrete Forming (1 year)
- Computer skills (2 years)
- Customer service (3 years)
