

Dear Hiring Manager,

I am writing to express my interest in opportunities with Southwest Irrigation. In my application, I selected the Supervisor position; however, I am open to any available role where I can contribute and add value to your team.

I have experience in maintenance and all irrigation-related operations within greenhouse environments, including system oversight, troubleshooting, repairs, and daily operational coordination. I have also supervised crews and ensured work is completed safely and efficiently.

I am dependable, hardworking, and comfortable working in physically demanding environments. Thank you for your time and consideration. I look forward to the opportunity to contribute to your team.

Sincerely,
